

NewCity is a luxury gated community that wraps around a magnificent natural lake giving the Villa's and Apartments unparalleled water views. Designed to inspire peace and tranquility, this exciting new development consists of 36 spacious and luxuriously outfitted villas and 15 apartments. Residences at NewCity are complemented by our Lakeview Restaurant and bar, First Class fitness facilities, Wyndham's Blue Harmony Spa, and proximity to the island's beaches. Every Villa combines luxurious spaciousness with contemporary elegance. At the same time, Caribbean elements blend in seamlessly with the idea of tropical living. All Villas have beautiful high exposed thatched roofs, Private Pools, and expansive Private Patio's where owners can enjoy the property's fresh Caribbean breeze in the privacy of their own Villas. The Layout of the floor plans for each Villa have been carefully designed to maximize rental options and achieve strong revenues for those who also choose to purchase their villa as an investment and want to rent out a part of the entirety of their Villa. The extensive facilities, outstanding design, and exceptionally convenient location have established that NewCity Resort offers the most desired luxury villas and apartments on the island.
